

Foundations of Appreciative Inquiry

A Workshop for Leaders, Managers, and Consultants in Change

June 9-13, 2008
Denver, CO (location TBD)

Discover positive change in this Foundations-level workshop! Internationally-recognized writer, speaker and consultant, Amanda Trosten-Bloom, introduces the theory and practice of this groundbreaking approach to organization change. Learn how businesses and communities around the globe have transformed their organizations using Appreciative Inquiry. Hear how international corporations, non-profits, federal agencies, and local governments have improved performance and enhanced morale, organization vitality and customer satisfaction by engaging in inquiries involving thousands. Develop your skills to lead key steps in the Appreciative Inquiry process: select affirmative topics, craft and conduct appreciative interviews, envision positive futures, design provocative propositions and create sustainable appreciative organization cultures. **Attendance at the entire workshop is appreciated.**
